

MAC AVANT XL

XL Features, XL Performancer

- Heavy-duty machine construction
- Highly professional hot pressure washer
- Flame failure and leak detection system
- High flow rate and pressure
- Double bearing 10hp motor for high usage

KEY SPECIFICATION

Hot Water Mobile

21ltr/min Water Flow

200bar, 3000psi Pressure

415v Power Supply

High Pressure Chemical

Flame Failure & Leak Detection

MAC AVANT XL

STANDARD FEATURES

- Large XL chassis with stainless steel hinged bonnet
- Flame failure & leak detection
- Efficient M2 XL boiler system for increased heat
- Industrial 10hp, 1450rpm double bearing electric motor
- Stainless steel water tank
- Automatic stop/start system
- Boiler controlled by pressure switch & flow switch
- High pressure chemical system
- Thermostat for temperature control
- Pressure gauge
- 2 large robust wheels for the toughest terrain
- Heavy duty rear castor wheels
- Professional Interpump with ceramic pistons
- Steam stage with low pressure steam valve
- Low level fuel warning lamp with burner shutdown
- 24v low tension safety controls
- 31lt heavy duty Internal fuel tank
- Supplied with 10mtr high pressure hose, RL37 Washgun with swivel, 1200mm Lance and Jet

OPTIONAL ACCESSORIES

- Stainless steel lance holder
- Frost protection with heater tube
- Timed chemical systems
- Remote control options
- Hour counter

MAC49XL

Water Flow	21lt per minute
Pressure	200bar, 3000psi
Motor Specification	10hp, 1450rpm
Chemical	High Pressure
Shutdown System	Auto Stop/Start
Temperature	0-150 °C
Power	415v
Weight	140kg
Dimensions (h x w x d)	85 x 63 x 100cm
