

FANG20HD

# A perfect cleaning result

- even in extra tough environments

PART OF THE NILFISK GROUP

# Durable scrubber/dryer

## - for demanding applications

[www.vipercleaning.com](http://www.vipercleaning.com) / [hello@vipercleaning.com](mailto:hello@vipercleaning.com)

The Viper FANG20HD is the perfect solution for scrubbing and drying in tough and dirty environments such as construction sites or industrial areas.

Variable pad pressure makes it possible to adjust to your cleaning needs. For the extra tough cleaning situations, just add more pad pressure.

A big tank capacity and a longer battery run time makes it possible to clean for a longer time.

- Ergonomic design for easy maneuverability
- Variable pad pressure, for easy adjustment to your specific cleaning needs. For very dirty areas just add more pressure
- Standard and soft brushes available as option

Easy-to-use operator panel with battery level indicator

Heavy duty squeegee with turnable blades

Adjustable brush/ pad pressure for the extra tough cleaning challenges
