

# MAC HOTBOX

## Turn Your Cold Machine into a Hot Machine

- Available in 240v or 110v
- M2 boiler system for maximum heat
- Flow switch protection
- Burner on/off switch and thermostat

### KEY SPECIFICATION

Hotbox pressure washer

12lt, 15lt or 21lt/min water flow

200 bar pressure

16lt Fuel Tank

0-100°C temperature

# MAC HOTBOX

## STANDARD FEATURES

- Metal frame
- Four wheels
- Stainless steel cover
- 220/230 Volt
- High efficiency Avant M2 boiler
- Danfoss fuel pump
- Working pressure 10-200 Bar
- Flow rate 600-900 LT/H
- Thermostat
- 16lt incorporated fuel tank
